

HEDONÉ

Clásico

MALBEC

HARVEST:

2022

ORIGEN

Blend of areas

80 % from Luján de Cuyo (Agrelo) and
20 % Uco Valley (Altamira).

Mendoza - Argentina.

SOILS

In Agrelo the soils are deep, loamy, clayey, with some
sectors with 10-20% of river rocks.

In Altamira the soils are poor in organic matter, stony,
loamy, clayey and drained.

WINEMAKING

In stainless steel tanks with selected yeast. Without oak
barrel aging.

TASTING NOTES

Violet red color. Aromas of fresh fruit, such as plums and
cherries with spicy notes at the attack, good midpalate
and elegant finish.

TECHNICAL INFORMATION
